Please take a few minutes and review the following information pertaining to shipping and material handling.

Shipping Charges

Please prepay all shipping charges. Metropolitan Exposition Services, Inc. will not accept or be responsible for collect shipments.

Material Handling Rates and Charges

Labor and equipment required for unloading and loading are included with Metropolitan Exposition Services material handling rates. Material handling rates apply to each 100 pounds (CWT). All fractional poundage must be **rounded up** to the next CWT. Each shipment received is considered separately. No cumulative weights are allowed on split shipments, UPS, etc. The above services whether used completely or in part, are based on the inbound weight of the shipment. Tracing shipments with your carrier is NOT the responsibility of Metropolitan Exposition Services, Inc. Metropolitan Exposition Services, Inc. requires that 100% of the estimated payments are due in advance. Please complete and return the Payment Authorization Form with your order.

Special Handling

A surcharge of 35% is applied in addition to the quoted rates for shipment(s) received that require special handling. Special handling is defined as, but not limited to, any shipment that requires additional handling or special equipment to load or unload, i.e. ground handling, mixed loads, double decking, hoist equipment, designated loading sequence or side door unloading. You are required to notify Metropolitan Exposition Services, Inc. of any special handling needs two weeks prior to set-up. This includes forklift capacity over 5,000 pounds. Uncrated and/or loose shipments are subject to this charge.

Consignment

All shipments must be consigned c/o Metropolitan Exposition Services to enable us to accept them for handling. Convention centers and hotels will not accept direct shipments consigned to them, as they have no facilities for receiving or storing freight.

Inbound Bill of Lading / Delivery Slip

All shipments must have a bill of lading or delivery slip indicating the piece count, weight and description of merchandise. Upon shipping, immediately send copies of bill of lading to Metropolitan Exposition as well as your on-site representative. Material handling charges are based on the weight of the freight. Certified weight receipts are required for all shipments. Trucks arriving without documented weight will be required to go to the nearest weighing station to obtain documentation or a mutual decision will be made as to the weight and will be binding to both parties.

Service Within Booth

All deliveries are made to the booth. Any further handling or placement within the booth will incur additional charges.

Empty Containers/Labels

When finished unpacking, empty shipping containers (cartons, fiber cases, etc.) that have empty labels affixed to them will be picked up, stored and returned at the close of the show. Empty labels are available at the Metropolitan Service Desk and are to be used for empty storage only. Metropolitan Exposition Services, Inc. is not responsible for any contents of a container marked empty. It will not be possible to access empty containers during the show as they will be stored off-site.

Metropolitan highly recommends the securing of security services from facility or show management.
