

Hello IBS NY & IECSC exhibitors

Please take a moment to read through the exhibitor manual. It contains important and cost saving information that will save you time and money! You will find all the necessary forms and contact information to ensure a smooth move in process. Please note we call special attention to the shipping procedures below. More information can be found in the shipping section of the manual.

We are pleased to inform you that GES is the official contractor of the upcoming IBS & IECSC being held March 13-15, 2022, at the Jacob K. Javits Convention Center.

Shipping Information

Below you will find some important information that you will need to know before shipping your materials for this show.

It is imperative that you review the shipping procedures in the show manual. Due to the nature of this show, GES will bill your material handling in a specific way. This exhibitor manual provides you with this important information. However, if you do not understand or need further clarification on any of our procedures, as well as any other information about this show please do not hesitate to call GES Exhibitor Services Department at 702-515-5970 or e-mail any of their customer service representatives at NationalServicenter@GES.com

Shipping Product

You must label your boxes with the PRODUCT labels provided in the kit. PRODUCT can ONLY be shipped direct to show site. If any product freight is delivered to the warehouse, you will incur our roundtrip Warehouse Material Handling Charges listed in the kit. **NO EXCEPTIONS!**

PRODUCT will be charged on a one-way rate based on the intention you will not be shipping this material out at the end of the show.

If you happen to have PRODUCT that needs to be shipped out, a re-weigh is required. Please visit the exhibitor service desk to request a re-weigh. You will receive special labels and instructions from our staff to use for this procedure. If you have PRODUCT being shipped out that is NOT brought to our attention or we see PRODUCT packed within your booth freight, your WHOLE INBOUND shipment will be converted back to a round trip charge.

IF ANY OF THESE PROCEDURES ARE NOT FOLLOWED, YOUR MATERIALS WILL BE CHARGED THE REGULAR MATERIAL HANDLING RATES AND THERE WILL BE NO REFUNDS.

If you are shipping any other materials:

Your materials will be charged on a round-trip fee. Materials are charged on a 100 lb minimum per shipment. Any discrepancies with the weight of your materials must be addressed at show site. No adjustments or credits will be issued by GES after they have left the show.

There will be a 30% surcharge for any materials sent to our warehouse after the deadline. Shipping labels for the advance warehouse are located in the shipping section of the manual.

Certified Weight Tickets are required for all shipments.

GES requires that you send your Material Handling Form to them in advance for review with a Payment Form for the product and/or material handling charges. (Please refer to the shipping section of the exhibitor manual for all forms)

The GES service desk will be staffed throughout the entire show should you have any questions or issues at show site that GES can assist you with.

If you need assistance with any of this information or any of the order forms, please contact the GES Exhibitor Services Department

MOVE-IN / MOVE-OUT INFORMATION

Move-In

- Warehouse freight is moved in first. Freight sent directly to the Show will be received on a first come, first served basis.
- **All exhibitors and exhibitor-appointed contractor personnel must be badged.** Badges are available for pick up during posted registration hours. We must receive your insurance certificate and all outstanding balances paid before any badges will be distributed. Badges are not transferable. Each exhibitor must pick up his/her own badge. See “Registration” tab for additional information.
- Exhibitors arriving after the posted set up times **WILL NOT** be allowed into the hall and must return the next morning. Those in the hall at the end of official posted time may remain to finish work in progress, but for security reasons, once you leave the hall, you cannot return.
- ***Hand-Carried Items***- Exhibitors are allowed to carry in a limited number of materials. The hand carry regulations are stipulated in the shipping section of this manual.
- **All exhibits must be fully installed by 5:00 PM on Saturday.** Those exhibitors who have not arrived or made set up plans by this time will either have their booths erected by show management at prevailing rates, or the exhibit will be removed from the floor.
- **Bring copies of your orders** (labor, electrical, carpeting furniture, etc.) with you to the show to avoid discrepancies. Bring any billing issues to the attention of the vendor and Show Management immediately.
- **Tables and chairs must not be removed from booths in which GES has placed them.** In the event that you ordered furniture, and none was delivered, notify the desk personnel at the GES Service Desk at once. Do not move the furniture from a neighboring booth into yours. If furniture was delivered to your booth but none was ordered, please notify the desk personnel at the GES Service Desk at once as you will be charged for furnishings. If you did not place a furniture order and “borrow” furniture from a neighboring booth, you will be charged for the furniture once it is in your booth.

Move-Out

No exhibitor is permitted to dismantle a display before Tuesday at 4:00 p.m. Dismantling of an exhibit prior to the close of the show at 4:00 p.m. will result in compromising the exhibitor's position in any future Events.

All exhibitors are responsible to complete a bill of lading and return it to the GES Service desk. The returning of crates and packing materials precede the loading of outbound freight. All freight must be removed from the exhibit hall by 12:00 p.m. on Tuesday. Freight arrangements must be made to comply with this deadline. Show Management will make shipping arrangements for any remaining freight, to be returned to the best available address on the official show carrier at prevailing rates. **All trucks must be checked in by 10:00 a.m., Tuesday.**

Please Note: If an adjustment on outbound freight weight is necessary, it must be made at the GES Service Desk ***prior to move out.*** The adjustment must be reflected on your bill of lading and the reduction in drayage charges should be confirmed with GES prior to freight pick-up. **This is especially important if you bring in more products than you will leave.** Also, order your move-out labor early from GES Service Desk.

They will need to have their passport info handy to complete the request.

Please note: Badges and work passes are nontransferable. NO Children under 15 years old will be allowed on the tradeshow floor

EXHIBITOR SERVICES AREA:

The Exhibitor's Service Desk will be in the Crystal Palace outside of the entrance. This area will have service representatives for labor, furniture, freight, electrical, phones etc. Check your booth and if anything is missing, please visit the service desks and confirm your pre-ordered services and equipment. The service desks will be open during move in, the show and move out. Javits Services area will be in the front of each hall and the back of 3E

The person in charge of your exhibit should carefully inspect and personally sign for all work order forms. If you disagree with a bill presented for your signature, question it immediately. If you cannot come to a satisfactory agreement with the contractor, contact Show Management. *Do not put it off!* Once the Show has ended, it becomes very difficult to resolve differences.

SECURITY:

Show Management will provide a 24-hour guard service from the move-in of freight until the removal of all crates and materials on Wednesday. Although we do our best to deter theft, Show Management is not responsible for lost or stolen items. **Security for individual booths and their contents is the responsibility of each Exhibitor.** Exhibitors in need of individual booth security should contact A&M Professional Security directly at 212-964-2121.

All Exhibitors and booth personnel must have Exhibitor Badges to have access to the Exhibit Hall. Badges are not transferable. Exhibitors will have access to the exhibit hall one hour prior to the opening of the show and ½ hour after the show closes each show day. **DO NOT SCHEDULE APPOINTMENTS WITH ATTENDEES ON THE SHOW FLOOR PRIOR TO THE SHOW OPENING OR AFTER SHOW CLOSING.**

Security Tips:

- If you have a product which you allow people to try out, be sure that each potential customer is supervised. To avoid theft, consider asking for a credit card or license as a form of deposit from people who you allow to demo your product.
- Remove small items on a nightly basis.
- Hire a private duty security guard or rent a security cage.
- Have replacements available either on-site, at a local distributor or on stand-by at your office for overnight shipment.
- Do not list contents on outside of boxes (*e.g.: Box 1 - Personal Computer*)
- Carry a detailed list of what you ship, in which box it was packed and repack in the same manner. Keep a copy in your office and check your shipment when it returns.

SHAMPOO FACILITIES:

Shampoo areas are available for use by exhibitors at no charge. These areas will be positioned as governed by service availability and will be clearly indicated on the show floor.

SHIPPING YOUR EXHIBIT:

There are three ways to get your exhibit to the Exhibit Hall: ship it in advance; ship it to show site; or hand carry to show site.

- **Advance Shipments to Contractor's Warehouse** - Freight shipped to the GES warehouse will be placed in the Exhibit Hall first. Shipments must arrive at the warehouse by the deadline date. **Please See the SHIPPING INFORMATION TAB.**
- **Shipped Directly to Show Site** - Freight shipped directly to the Exhibit Hall should arrive during the published exhibitor move-in schedule. Shipments will be received on a first-come, first-served basis.
- **Hand-Carried To Show Site** - Exhibitors are allowed to carry in some materials. The hand carry restrictions are stipulated in the shipping information section of this manual.

TIPS:

- Separate your shipment by display and product. (Direct to Show Site Only) Product must be labeled as **PRODUCT ONLY**. Please see the SHIPPING INFORMATION TAB for **Product only shipments**
- If you have minimal display materials (e.g. brochures, samples, etc.), you may avoid the drayage charge (based on a 100 lb minimum) by shipping the materials to your hotel and then carrying to show site.
- If you have more than 100 lbs of freight, minimize your drayage charges by shipping everything together.
- When contracting an "overnight" shipper, check on how long it takes them to trace a lost shipment. Some companies take two days, which is too long in the trade show business.
- UPS or FedEx are not preferable shippers when sending to show site. They will not wait in freight lines and the entire delivery is signed for rather than each individual package. This hampers your ability to track lost shipments.

RULES & REGULATIONS

(alphabetical by subject)

BANNERS:

To maximize your exposure, inline booths of 200 square feet or more are now permitted to hang banners over your booth within the IBS & IECSC Guidelines. You must adhere to the below guidelines and Show Management must approve all banners prior to installation.

Peninsula Booths:

Banner Size must not exceed 10ft in height and 50% of corresponding side dimension. Example Below:

In-Line Booths:

Banner Size must not exceed 5ft in width and 50% of back wall dimension. All banners must be vertical **NO EXCEPTIONS.** Example Below:

Exhibitors must submit a written request that includes a diagram of their desired placement. All requests and questions should be directed to:

Jennifer Bain
jbain@cwmet.com
Fax 917-591-8316

To save you time and money we recommend you IBS and IECSC requirements.

Banner Production:

Exhibiting companies that need help designing or printing banners / signage can contact Getvamp LLC, our official marketing & Promotions Company. Getvamp can be reach at 216-566-5953 or at orders@getvamp.com

BOOTH & DISPLAY REGULATION:

Display Guidelines - The International Beauty Group is committed to producing industry events with the highest degree of professionalism, integrity and quality for our exhibitors and visiting salon & spa professionals alike. To that end, **the following Booth Guidelines will be enforced.**

- All tables within your booth area must be draped and/or skirted. Exhibitors **cannot** utilize the booth's side drape as skirting for tables.
- All signs must be professionally produced and/or created.
- **Booth attendants, manufacturers, salesmen or representatives, including models or other supportive personnel must conduct business ONLY within their booth space. Printed matter may not be distributed in any area of the show floor except within the confines of their booth. Repeat offenders will be removed from the show floor.**
- The use of corrugated boxes, unlabeled bins, etc. to display and/or sell merchandise is prohibited.
- Unsightly storage of inventory within your booth area is not permitted.
- IBSNY/IECSC urges all exhibits and displays to convey a professional and high-quality image. Professionally produced exhibits are encouraged.

This policy will be enforced at all IBSNY/IECSC events. Failure to comply with the above guidelines will result in Show Management's intervention that may impact exhibitor booth placement at future IBS/IECSC events.

In addition to the guidelines listed above, the Jacob K. Javits Convention Center and the Show Group prohibits the following:

- The use of untreated cardboard boxes or wooden crates as display fixtures is prohibited.
- The hanging of promotional materials on and/or around any structural part of the building by an exhibitor **is not permitted** and will result in a cleaning fee charged by the Jacob K. Javits Convention Center to the exhibitor for the removal of this material.
- No helium or hot air balloons and/or tanks are permitted in the hall.
- Fountains, and other water containers used for decorative purposes, must be waterproofed and inspected by the Jacob K. Javits Convention Center.
- The use of glitter is not permitted in the facility. A cleaning fee will be assessed for any use of glitter.
- Exhibitors may conduct business only within their booth space. Printed matter may not be distributed in any area of the show floor except within the confines of their booth.
- Exhibitors may install or dismantle their exhibit and lay carpet in their exhibit if the booth size is 250 square feet or less and work can be done without tools. Any exhibitor exceeding 250sq ft will have to hire labor for installation and dismantle.

DISPLAY HEIGHT CHART:

8 + PENINSULA				X
8 + ISLAND				X

Special Note:

Exhibitor Displays that exceed 4ft in height must be placed appropriately to maintain sightline restrictions.

Please refer to the sightline restrictions rule below.

Sightline Restrictions - Display fixtures, over 4' in height, will need to be positioned at least 5' from an aisle so a clear line of sight extends for at least 20' from any adjacent exhibitor. Exhibitors must do this on all sides of the booth. A person standing 3' into the aisle, from a distance of 20', must be able to see 5' feet into an adjacent 10' x 10' booth (from the aisle towards the middle of the booth).

- All display components will need to be positioned in order that a clear line of sight as defined above is maintained.
- Any display component placed in violation of sightline policy will be removed at the exhibitor's expense.
- The sightline must be maintained from both sides of the booth.
- All display components must be professionally produced.
- Any display component exceeding 8' in height must have a finished backing or must be draped off at the exhibitor's expense.

Show Management has established the following sightline policy to give each exhibitor effective use of his space without interfering with the rights of neighboring booths.

Sample Booth Layouts –

Special Notice:

All two-tiered exhibits require a building notice, which must be filed with a licensed architect or engineer in the State of New York.

Any display that uses ground supported truss or tow motors to support an aerial display must be certified by a licensed architect or structural engineer. The New York Fire Department reserves the right to request documentation on-site to verify the structural safety of the exhibit. The New York Fire Department also reserves the right to request the exhibitor to dismantle the exhibit or support the exhibit with additional support points.

Please direct any floor plans/blueprints or questions to Rick Rosalina in Operations at 212-564-8823, via fax at 917-591-8316

EXHIBITOR APPOINTED CONTRACTORS (EAC):

Exhibitors using the services of display firms / independent contractors must fill out the EAC approval form located in the "LABOR" section of the manual. Notification must include a current certificate of insurance that meets all hall specification. The contractor must abide by all Jacob K. Javits Convention Center, Show Management and Union Regulations.

FIRE DEPARTMENT REGULATIONS:***Inherent Fire Retardant or Flame Retardant Treatment***

1. All decorations, drapes, signs, banners, plastics displays, hay straw, moss, split bamboo, and other materials **MUST BE FLAME RETARDANT** to the satisfaction of the Fire Department and the State Fire Marshal.
2. Table coverings must be flame retardant treated unless they lay flat, with an overhang no greater the 6"
3. Oilcloth, tarpaper, sisal paper, nylon and certain other plastic materials cannot be flame retardant and their use is prohibited.
4. A flame test by the City of New York Fire Department may be performed when deemed appropriate. A certificate stating that all materials are flame retardant may be requested on site.

Vehicles / Internal Combustion Engines on Display

1. Any autos, trucks, motorcycles or other motorized vehicles displayed shall have their batteries disconnected and terminals taped.
2. All motor vehicles tanks containing fuel are required to have locking gas caps or must seal the gas cap with tape. No more than one gallon of fuel is permitted per vehicle.
3. Tanks cannot be refueled or emptied inside the Jacob K. Javits Convention Center.
4. A properly tagged set of keys to each vehicle must be left with Javits security prior to display.
5. All autos, trucks, vehicles of any kind must show the location on the Fire Department approved floor plan 14 days prior to the show date.

Combustibles

1. Literature on display shall be limited to reasonable quantities. Reserve supplies shall be kept in closed containers and stored in a neat and compact manner.
2. No cardboard boxes or any combustible materials may be stored on top of or near any electrical wiring in the spaces behind the backwall drapery (booth) or behind any display.
3. Storage of loose materials, loose packaging materials, flammable or combustible mixtures, waste, liquids, etc., is prohibited.

Obstructions

1. Aisles designated on approved show floor plans shall be kept clean, clear and free of obstructions. Booth constructions shall be substantial and fixed into position in specified areas for the duration of the show. Chairs, easels, signs and demonstration areas shall not be placed beyond booth areas into aisles.
2. All aisles must be maintained at a minimum of 10 feet in width or unless otherwise approved on the floor plan.
3. All fire prevention and fire equipment in all public assembly areas shall have easy and unobstructed accessibility.

FOOD DISPLAYS AND FOOD SERVICE:

All food and beverage must be purchased through the exclusive in-house catering provider. Exhibitors needing catering services or customized menus will need to call Cultivated at (212) 216-2400. Refer to the "BUILDING CONTRACTORS" section of this manual for additional information

GOOD TASTE & THE RIGHT OF OTHERS:

Show Management may require an exhibitor to make changes to their exhibit if, in Show Management's opinion, the exhibit does not conform to prevailing standards of good taste. Any inappropriate displayed items will be removed at the cost of the exhibitor. Changes will also be required if the exhibit interferes with the rights of others.

GRATUITES:

GES and the Jacob K. Javits Convention Center request that exhibitors do not tip their employees. Any attempts made by an employee to solicit a gratuity for any service, should be reported immediately to a Show Management Show Office. **Tipping is not appropriate.**

INSURANCE REQUIREMENTS: (Required for All Exhibitors)

Per your exhibit contract, exhibitors are required to provide a certificate of insurance in order to receive your exhibitor badges.

For more information on the insurance required for exhibitors, please refer to the Insurance Section of the manual.

Exhibitors that need coverage can register online with Rainprotection Insurance [here](#); or mail/fax the registration form to **Rainprotection.**

LIABILITY:

Exhibitors are liable for any damage to floors, walls, or columns of the exhibit building. No cement or paste is to be for fastening floor covering. Tape used to secure carpets, linoleum or tile should have a cloth rather than a paper binding to facilitate its complete removal from the floor. Management will hold the exhibitor responsible for removal of all tape or adhesives placed on the floor.

LITERATURE DISTRIBUTION:

Canvassing in any part of the Exhibit Hall, adjacent lobbies or corridors is prohibited. Printed or product promotions materials may be distributed only at the Exhibitor's booth. Exhibitors must restrict their activities to the space for which they have contracted. Any unauthorized solicitation, whether by an Exhibitor or Attendee, should be brought to the attention of Show Management.

OFFENSIVE MATERIALS:

Show Management reserves the right to require Exhibitors to remove from their exhibit any materials, which it determines, at its discretion, to be inappropriate. This includes materials that may be offensive, disparaging, or discriminatory.

PHOTOGRAPHY & VIDEO TAPING:

Unauthorized photography or video taping of exhibits is prohibited. Exhibitors may photograph their own exhibits only.

QUESTIONS & ADJUSTMENTS:

Any discrepancy in items and received any complaint or question concerning service, etc., must be reported to the appropriate vendor immediately upon noting the problem. Remember that items ordered, including labor, **MUST** be signed for at the time of receipt.

SOUND AND NOISE REGULATIONS:

Exhibitors with 6 or less contiguous booths are permitted to use one TOA sound system for voice amplification only. Order forms are located in the "OTHER CONTRACTORS" section of the manual. The system is listed as Audio Equipment on the MetroMultiMedia Audiovisual order form. The sound volume, above the ambient level when measured from the adjacent aisle(s) and/or neighboring exhibitor(s), may not exceed an 80-db level on the sound meter.

Exhibitors with theatres or a minimum of 7 or more contiguous booths will be granted permission to utilize sound systems of their design provided a platform presentation or educational program is presented. The sound volume, when measured from the adjacent aisle(s) and/or neighboring exhibit(s), may not exceed an 85-db reading on the sound level meter.

Please Note:

Exhibitors must notify Show Management in writing 30 days in advance of their intention to use a sound system. Send requests to Rick Rosalina by (f) 917-591-8316 or by email: rrosalina@cwmet.com

SOUND AND NOISE VIOLATIONS:

The following Sound System and Noise Rules are in effect for the BENY & IECSC: These rules will be strictly enforced.

1) **NO Live Bands or Musical Instruments will be permitted in any exhibitors' booth.** Only recorded music that can be controlled through a soundboard will be permitted. The use of whistles, horns, crickets and other similar noise devices is prohibited.

2) **Maximum Sound Level will be enforced at 85 decibels.** Show Management staff will conduct sound tests on all exhibitors' booths on the morning of the show opening. Please instruct your booth staff and contractors to this important Sound Check and plan to have someone available. Show Management will clearly mark the maximum level on the controls of the soundboards where 85 decibels is maintainable. Sound levels will be tested at 10 feet from the perimeter of the exhibit booth.

These restrictions are in place due to possible non-compliance with OSHA health and safety regulations that could potentially plague your firm from damage that any of your employees or show attendees might experience through excessive exposure to sound. There are very serious consequences to continuing infractions of these requirements, and we intend to take non-compliance very seriously.

3) **ALL speakers must be turned INTO the exhibit booth. No speaker should be facing out into the aisle.**

Thank you for your cooperation!!

Should complaints arise and sound levels are found to be higher than the pre-set 85db maximums, the following **enforcement policy will be implemented:**

- a) **First infraction:** Show management will warn exhibitor by copy of a Noise Violation Form.
- b) **Second infraction:** Show management will present a NOISE VIOLATION NOTICE to the booth contact which must be signed by both parties to acknowledge that notice was issued, and there will be a \$150.00 fine.
- c) **Third infraction:** The Violation form will be revised and an *additional* \$500.00 fine will be imposed. Should the Third Infraction occur, Show Management additionally reserves the right to prohibit future sound reinforcement systems on its show floor by this exhibitor unless said company, at its own expense, attaches the an Exhibit Management approved sound governing device to the system which will automatically maintain the Show's db maximums. This will be STRICTLY ENFORCED.
- d) **Fourth infraction:** Show management reserves the right to pull all electrical lines that feed the sound system for the duration of the show, regardless of the date of the occurrence. Show management reserves the right to remove exhibitor booth personnel from the show floor should the noise infractions continue.

Show Management does NOT want to continually have to respond to complaints of noise violators, so your total cooperation this year is imperative to all us. Unfortunately, repeat offenders have resulted in our having to take these drastic actions.

STORAGE OF MATERIALS:

You can store a limited amount of materials at your booth. All additional product / materials must be placed in GES accessible storage trailers located on the docks. You will be able to retrieve your materials from this area at designated access times throughout the show, for a fee. For pricing, please see the Accessible Storage Form in the Shipping Section of the manual. A schedule will be posted at the entrance to the storage area for your convenience. When removing material, you must check in and out with the GES representative managing this area.

TRAFFIC:

Show Management encourages promotional plans and demonstration areas but asks that you do not interfere with normal traffic flow in the aisles or traffic into any neighboring exhibit. **Demonstration areas must be organized within the exhibitor's space**

EXHIBITOR SERVICES:

A representative from each firm above will be located at the Exhibitor Services Center during set-up, show days and dismantle. All inquiries regarding services should be made there. Exhibitors ordering labor are asked to check in at the desk when they are ready to install their exhibits.

QUESTIONS AND ADJUSTMENTS:

Any discrepancy in items and received any complaint or question concerning service, etc., must be reported to the appropriate vendor immediately upon noting the problem. Remember that items ordered, including labor, **MUST** be signed for at the time of receipt.

SHIPPING INFORMATION

FREIGHT HANDLING JURISDICTION:

GES has been appointed the official Material Handling Contractor for the IBS New York / IECSC New York.

GES has the responsibility of receiving and handling all exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the show. GES will not be responsible for material they do not handle!

Crates, boxes, and packing materials must be removed from booths and stored during the show. No empty crates or boxes can be used as display counters or props unless they are chemically treated to resist flame. Please place small containers inside larger ones to facilitate storage. As soon as your containers are empty, place "EMPTY" stickers on them so that they can be stored immediately. Your cooperation in keeping the aisles clear to facilitate the moving of containers is appreciated.

HOUSE RULES FOR "HAND CARRIED" GOODS

Special "Hand Carried" entrance/exits have been arranged for exhibitors.

The **IBSNY & IECCSC assisted hand carry entrance will be located at 369 12th Ave. Please see the hand carry map in the exhibitor kit for directions.** Exhibitor can access to the inner roadway at 11th Avenue and 38th Street for unassisted hand carry.

Hand carry is prohibited through the Crystal Palace via 11th Ave.

Hand Carried materials are prohibited from being brought into the facility from any other point.

Materials may be delivered directly to the facility by exhibitors, guests, etc. providing they adhere to the following guidelines:

Exhibitors at the BE New York / IECSC may hand carry products provided they follow these guidelines:

Approved During Hand Carry Operations:

- Individuals moving materials must be employees of the exhibiting company and must carry identification to verify their position;
- Exhibitors moving materials must use doors and routes designated by event management;
- Hand-carried items can be brought in through the front of the building (east side) only through the inner-roadway and only during event specified times;
- Hanging clothing racks with four wheels are allowed for moving hanging garments;
- Standard jewelry cases with four wheels are permitted for moving jewelry and trade product;
- Pop-up displays – equal or less than 10 feet in length and capable of being carried by hand by one person – may be brought into the building.

Javits Inner-Roadway:

- Hand carry operation hours are specific and designated by event management;
- Loading and unloading of vehicles is limited to vehicles no larger than a standard van;
- All vehicles must be issued a Javits Center Placard in order to stage;
- All vehicles are allocated 45 minutes, and the time limit will be strictly enforced;
- All vehicles must be parked perpendicular to the curb and staged with the back of the vehicle against the curb;
- Hazard lights must be activated while staged;
- Double parking is strictly prohibited and will likely result in a fine or tow;
- Parking or standing on 11th Avenue or any of the secondary streets around the Javits Center is strictly prohibited and subject to fine or tow;
- Pre-pack all exhibit items before staging a vehicle curbside;
- Failure to follow the above regulations may lead to a fine and/or vehicle towing.

Prohibited During Hand Carry Operations:

- Tools, ladders (step stools up to 2' in height are allowed) or any other type of carpenter/construction equipment and vacuum cleaners are not permitted in the building.
- Any freight from a vehicle larger than a Sprinter Van.
- Any freight moved on equipment larger than a two-wheeled baggage cart.
- Any freight that cannot be hand carried by one person.
- Any freight moved by a moving or freight company, contractor or any persons other than Javits Center freight handlers or direct employees of an exhibiting company engaged in approved hand carry operations.

Any exhibitor off-loading what is not considered to be "Hand Carried" items or utilizing prohibited vehicles will be turned away and required to access the show floor through the loading dock and will be charged the appropriate drayage rates.

Exhibitors MUST be properly badged before being allowed access to the show floor. Temporary work passes will be available to "helpers" for scheduled move-in and move-out times ONLY. See Show Management for passes. Badges are nontransferable

For further information regarding Hand-Carry, call the Show Helper Operation Hotline at 212-564-8823 or email questions@theshowhelper.com

SHIPPING TIPS:

1. Decide if your freight is going in advance to the warehouse or to arrive on-site during set-up

Advantages to advance (warehouse) shipping:

- a. Your freight is off-loaded first and should be in your booth when you arrive.
- b. You can have assurance of knowing your freight has arrived at its destination by calling the warehouse in advance.

Advantages to on-site shipping:

- a. You can see your shipment off-loaded, as on-site freight shipments usually arrive after exhibitors are allowed hall entry.
- b. For fragile equipment, unboxed and uncrated, handling is minimal.

Please be sure to send shipments with a certified Bill of Lading specifying accurate weight and the total number of pieces.

2. Decide if your freight is going ground or air.

- a. You may need air service if your shipping "window" is short
- b. If your shipment is ground, use a professional shipper! You have a choice of overnight package delivery services, major van-line service or common carrier trucking firms. In making your decision, realize that most overnight services will not wait if there is a line to drop-off freight at the docks. They will leave and return later or the next day. So, if you need your freight "first thing" this may not be your best choice.
- c. Please be sure to send shipments with a certified Bill of Lading specifying accurate weight and the total number of pieces.

- 3. Be certain that your personnel who will be supervising set-up of your booth have copies of the shipping paperwork, especially:**
 - a. Name of the shipping firm with evening and weekend contact information
 - b. Number on the shipping bill and appropriate tracking numbers / information
 - c. How much freight is expected, in pieces and pounds
 - d. List of contents in crates/boxes, and instructions for assembly or display
 - e. Name and phone number of person who scheduled the shipment of materials

- 4. Be sure to make outbound shipping arrangements with the carrier of your choice. If no carrier is chosen or if your carrier does not check in by the assigned time, it will be necessary for Show Management and the General Contractor to ship your freight on the carrier of our choice at prevailing higher rates.**
